

A sample program can be used to plan progress in a major. Not all students will follow the sample program, because students are individuals and can make choices to fit their situations. Students should consult their WLC academic advisor. Please note that course offerings may change due to staffing, curriculum changes, and course enrollments.

This sample plan applies to all Biology majors. Selection of additional electives are encouraged based on post-graduation plans.	
Freshman Year, Semester 1	Freshman Year, Semester 2
CHE 161/168	CHE 162/169
(MAT 221/222 - option for Quantitative Course)	BIO 201

Sophomore Year, Semester 1	Sophomore Year, Semester 2
BIO 202	BIO - Organismal Course
CHE 221	PHY 151 or 201

Junior Year, Semester 1	Junior Year, Semester 2
BIO - Cell or Genetics Course	BIO Elective
BIO Elective	BIO Elective

Senior Year, Semester 1	Senior Year, Semester 2
(BIO 310 - option for Quantitative Course)	BIO 402 or 403
