A sample program can be used to plan progress in a major. Not all students will follow the sample program, because students are individuals and can make choices to fit their situations. Students should consult their WLC academic advisor. The junior and senior year in the sample program can be switched based on the course offerings. Please note that course offerings may change due to staffing, curriculum changes, and course enrollments.

Freshman Year, Semester 1	Freshman Year, Semester 2
COL 101	LAS 101
