

# Nutritional Sciences

**Wisconsin Lutheran College**

**Sample Program**

A sample program can be used to plan progress in a major. Not all students will follow the sample program, because students are individuals and can make choices to fit their situations. Students should consult their WLC academic advisor. Please note that course offerings may change due to staffing, curriculum changes, and course enrollments.

| Freshman Year, Semester 1                | Freshman Year, Semester 2  |
|--|----------------------------|
| CHE 161                                  | CHE 162                    |
| CHE 168                                  | CHE 169                    |
| PSY 101                                  | BIO 202                    |
|  | MAT 117                    |
|  |                            |
|  |                            |
|  |                            |
