Courses in red are required for the Sport & Exercise Science major. Courses in blue are recommended electives for the Sport & Exercise Science major and required for the UW-Milwaukee M.S. AT program. This sample program meets the 120 total credit requirement for a B.S. at WLC. Courses with a * are prerequisite courses for the UW-Milwaukee M.S. AT program. Application to the program would occur in Fall of Year 3. If accepted, the program begins the following summer session.

UW-Milwaukee AT Courses	Credits towards MSAT	Reverse transfer to WLC	Credits toward B.S.
