Total: 18			Total: 18		

- Courses used to fulfill prerequisites for admission to Scholl are **in red**.
- Courses fulfilling requirements for a major in Biology are **bolded**.
- This sample plan assumes completion of 2 years of foreign language classes in high school. If this requirement was not met in high school, a foreign language course would have to be added to the students' plan.
- This sample plan assumes reverse transfer of 26 total credits from Scholl to fulfill the requirements for a Bachelor of Science degree (minimum of 120 total credits) with a major in Biology as indicated on the back of this sheet.

**Scholl Doctor of Podiatric Medicine 3+4 Reverse-Transfer credits, BIO Major**
